

AUTUMN MUST-SEE

Discover Andorra la Vella dressed in its autumn colours. Should you come from September to November, you must not miss:

At the end of October, you have an appointment with the Fira d'Andorra la Vella fair. Tourism, leisure, free time, sports and healthy living are the backbone of a fair that boasts a 12,000m² exhibition space with 150 exhibitors from Andorra and beyond.

Do you want to marvel at the city's autumn colours? Then go to the Rec del Solà Path and take in the panoramic views of the city.

A night-time tour of the Historic Centre will allow you to take some spectacular pictures, perhaps of the lit-up Consell General building with sculptures by Jaume Plensa in the foreground.

To get to know old Andorra, just stroll around the Historic Centre and discover its amazing architecture. Wonder at the façades of the most distinctive buildings, such as Casa Guillemó and Casa Molines, which date from the 17th and 19th centuries respectively.
